# Clear View Grinder VisiGrind™ K-SM180

Endless Possibilities

### The Grinder With Endless Possibilities

Grinding and sharpening for all types of materials. You can sharpen tools and cutting edges, as for woodworking tools like chisels, drills, and planer blades, as well as scissors, knives, and much more. The see through grinding wheel in combination with the magnifying lamp gives you perfect control of the grinding operation. You can see the sharpening progressing.

#### Included with Machine:

- Grinding machine with vacuum connection.
- Dual sided diamond wheel (Patented see-through design, fine grid)
- Fluorescent energy efficient magnifying lamp provides shade free light distribution
- Power Cord and operating Manual.

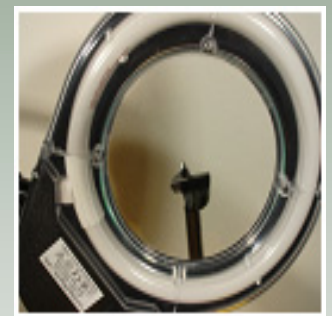

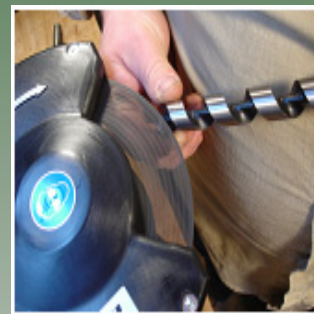

#### Technical Data:

Wheel coating: Diamond Ø 180mm / 7.086 inch  
 Noise level: Under 70dB  
 Weight: 9 kg / 19.8 lbs  
 Motor: Single Phase 120V/60Hz/180W

**The superior tool to gain expertise:**  
The clear view action makes it easy for you to improve your skills to perfection.

# Portable All Purpose Grinder / Sharpener

## Your Advantages with the VisiGrind™

- Visibility and control of the work
- Diamond wheel is transparent when running
- High-quality diamond coating guarantees long wheel life
- Any material can be ground
- Low profile grinding wheel
- Holes in the diamond wheel provide cooling effect, benefitting many operational factors.
